**SUN Community Schools** are a collaboration of local nonprofits, Multnomah County Office of School and Community Partnerships, the city of Portland Parks and Recreation, and Centennial, David Douglas, Gresham-Barlow, Portland Public, Parkrose, and Reynolds school districts.

Shaver Elementary is located at 3701 NE 131st Pl, Portland, OR 97230

Dexter McCarty Middle School is located at 1400 SE 5th Street, Gresham, OR 97080

The **Afterschool Alliance** is a nonprofit public awareness and advocacy organization working to ensure that all children have access to quality afterschool programs. The 2007 *Lights On Afterschool* launches the 10<sup>th</sup> anniversary of the federal 21<sup>st</sup> Century Community Learning Centers initiative, which has made after school programs available to hundreds of thousands of children across the nation over the last decade. Still, funding has not kept up with demand and millions of children are alone and unsupervised each afternoon after the school days ends. The event highlights the value of expanding after school opportunities so that every child who needs a program has access to one.

The No Child Left Behind Act authorized \$2.5 billion for after school in FY07, but funding is stalled at less than \$1 billion. This year, the House of Representatives voted to increase it by \$125 million this year, which would provide programs for 125,000 more children. After school leaders are encouraging the Senate to adopt the same increase.
